President's Ponderings

I am in the process of writing a book for my grandchildren. It relates to the twenty years I spent as a young man in through and out of Africa. As part of the process I pulled these carvings together which brought back fond memories. I remember watching them being carved with very basic tools at the local market. With all the tools we have at our disposal I am sure we can do as well.

The Club is planning a seminar led by John Vansprossen. It will be a Bent Wood Box with First Nations carvings on the flat faces. The box may be left au naturelle or painted. The cost, including material, is \$175 and is suitable for all carvers from novice to expert. We can handle up to 12 carvers in the class and, at this time, have 5 spaces spoken for. First come first served. Just email richmond.carvers@gmail.com attention David Price / Seminar.

Payment will be to RCS in two tranches. Full details will be advised shortly. Update on our Physical Show which is planned for the last weekend in May. As ever we need people to volunteer to make it happen. Dan Lemire is the show chair and he will produce a detailed list of jobs that need to be done. Everyone doing a little; a lot gets done.

On the subject of the show it is not too early to plan your one or two entries. It is a great way to show friends and family what you have done and to compare yourself with others.

Stay well, be well.

David
RCS President.

SMILE

I was visiting my daughter last night when I asked if I could borrow a newspaper.

"This is the 21st century," she said. "We don't waste money on newspapers. Here, use my iPad."

I can tell you this... That fly never knew what hit him!

Time out for a Laugh

What do you give your Valentine in France?"
"A big quiche."

"I thought I won the argument with my wife as to how to arrange the dining room furniture. But when I got home the tables were turned."

"I once fell in love with someone who only knew 4 vowels. They didn't know I existed."

What did the octopus say to the other octopus on Valentine's Day? I want to hold your hand, hand, hand, hand, hand, hand, hand, hand.
