Time out for a Laugh

The Genie and the Three Wishes

A man finds a dusty old lamp and gives it a rub. Out pops a genie.

"You get three wishes," the genie says, "but whatever you wish for, your ex-wife gets double."

The man thinks for a moment. "Alright, I wish for a mansion."

"Done," says the genie. "Your ex-wife now has two mansions."

"Fine. I wish for a billion dollars."

"Granted. Your ex-wife now has two billion dollars."

The man grins mischievously. "For my third wish, I want you to scare me half to death."

The Honest Boss

My boss was honest with me today. He pulled up to work with his sweet new car this morning, and I complimented him on it. He replied, "Well, if you work hard, set goals, stay determined and put in long hours, I can get an even better one next year."

WISHING YOU THE BEST OF THE SEASON
